## VOLPI Group- Quality Policy

Quality affects all divisions of VOLPI Group. All employees perform tasks that assure product quality to the highest standards, improving patient lives by improving the instruments used to diagnose and treat them. From our core values- **Entrepreneurial, Excellence** driven, **Empathic** with our customers- Volpi Quality Policy is reflected in our actions:

**V** – We deliver **VALUE** to our customers, their customers, and the ultimate customer, ‘the patients’.

**O** – We commit to have **OUTSTANDING** and reliable design, development, and delivery.

**L** – We build the **LEADERSHIP** through our people.

**P** – We commit to deliver **PERFORMANCE** to the highest standards.

**I** – We value **INNOVATION, INTEGRITY**, and continuous **IMPROVEMENTS** in our daily business.
